RE: Notice of Intent to exercise relief granted under Exemption No. 18509, Docket No FAA-2020-0291 and Exemption No. 18510 in Docket No. FAA-2020-0292

To whom it may concern:

This letter notifies the FAA that *XXXXXXXX (#FAA Designator)*, a Part 119 certificate holder conducting operations under Part 135, intends to exercise the relief granted under Exemption No. 18509, Regulatory Docket No. FAA-2020-0291, and Exemption No. 18510, Regulatory Docket No. FAA-2020-0292. *XXXXXXXX* hereby confirms that we will act consistently with the conditions and limitations included in both of these Exemptions.

*XXXXXXXX* will provide our assigned principal operations inspector, consistent with authorization in operations specification A005, with a safety risk assessment and analysis plan with corresponding risk mitigations to be implemented to ensure that each crewmember using relief remains adequately trained and currently proficient for each aircraft, duty position and type of operation in which the person serves.

Sincerely,
